Re:Cicilline Committee
FEC Identification Number C00476564

Dear Ms. Grainger,

This is in response to your letters dated December 11, 2014, concerning the October Quarterly and Pre-General reports and the Statement of Organization for the Cicilline Committee ('the Committee').

You asked about the address on the Statement of Organization. The Committee will amend all reports in which the previous address was used.

You also asked about refunds on the October Quarterly report. Please note that DNC PAC's previous name was Rhode Island PAC, which the contributions were reported from. The refunds were made after the PAC's name change. Regarding the refund to Ms. Quinn, the Committee will amend the report to reflect the correct election period, and will ensure all refunds appear on the correct reporting line.

You also asked about contributions received during the 48 hour reporting period for which a 48 hour report was not filed. Please note that the contributions in question were not new contributions, but were redesignations from contributions received in June.

Finally, you asked about itemizations for a credit card payment on the Pre-General report. A portion of the payment in question is itemized on Line 18. The Committee will amend the report to provide clarification.

If you have any additional questions, please do not hesitate to contact the Committee.

Very truly yours,

Nancy L. Benoit
Treasurer, Cicilline Committee
